have at some point felt unsafe or threatened by a passenger

have been verbally harassed or assaulted

have been sexually harassed or assaulted "Multiple threats with a knife, multiple grabbing & punching"

"Male customers trying to touch inappropriately and trying to kiss and many more."

"A passenger threatened to shoot me"

"I had my breast grabbed by a passenger."

"I picked up a man who thought he had a right to touch me and to tell me out loud what he would like to do with me rather than go home to his wife."

experienced racism on the job "People say me all the time, 'go back to your country.""

"Been called a black c@#\$ by passengers while working in QLD even though I told them that I was from Sydney and Australian and the rest shouldn't matter."

FINANCIAL STRUGGLES

said their income had dropped over time

"Money is so poor that it cannot cover for superannuation and sick leave"

Rideshare Driver Survey

UNFAIR TREATMENT

87%

have been left negative feedback for something beyond their control

58%

were unfairly treated by their company without being able to defend themselves

have been suspended or deactivated as a result of a false allegation

"Drunk passengers falsely claimed sexual inappropriate behaviour by the driver.

I was deactivated and they got a free trip and a great laugh."

COVID-19

76%

were not provided any sick leave or compensation if they had to self-isolate

were not provided with sufficient free PPE (sanitisers, masks, gloves)

67%

were not provided any additional safety training "I have to keep driving when I feel sick"

"Some companies promised help but delivered nothing"

WHAT RIDESHARE DRIVERS WANT TO SEE

"A more transparent appeal process should a passenger make a false complaint."

"Fairness, equality, better pay, higher standards"

"Transparent fares and not being penalised for not accepting a trip"

"We need more than the minimum wage."

"I want to get fair pay for the work that I do."

"Income should be improved. More safety."

"They should look after their drivers."

Respondents work for: Uber (93%), Didi (62%), Ola (52%) Shebah (9%) and others Note: many respondents work for multiple apps
