

The time has come to make your voice count. Every vote is important and will send a strong message – we expect more from StarTrack and we want to protect our jobs! Here are the 2 crucial parts of the vote:

#### 1.VOTE EARLY

The ballot will close 9 September 2021 but vote as soon as you can to show other members the importance of this vote.

## 2. VOTE YES TO ALL QUESTIONS

To give us the widest range of actions to choose from, even if we don't use all of them.

## For the first time, the ballot will be electronic. Here's how it will work.

#### **Step 1. Receive ballot link**

On Tuesday 24 August at 9:15am local time you'll receive an email or text from the ballot company with your unique password and a link to vote online. You'll need your TWU member number and this password. If you have a member card, you can use this to find your member number. If we have your email address, you'll also receive an email from the union with your membership number. If we don't have your email, you can find out from your delegate.

If you're receiving your information by post, you should have received your login information. If you haven't, let your TWU Official know ASAP so that the matter can be addressed with the ballot company.

#### **Step 2. Follow the link provided**

Click on the link provided by the ballot company in your email or text, OR enter the internet address provided from your postal ballot information into a web browser. Then enter your username (which is your TWU member number) and the unique password from the ballot company to log in.

#### **Step 3. Vote "yes" to all 14 questions.**

Once you've logged in you'll be directed to some necessary information and asked to vote. **Vote** "yes" to all 14 questions so that members across the country have every action available to them. You can find an example vote on the other page of this flyer.

#### Step 4. Go back if you need to.

After you've voted you'll be directed to a screen that will show you how you've voted. If you need to **review your vote** you can use the "Go Back" button. If you're happy with your selection, hit "Submit." You will know your vote has been registered when you've pressed this button at the end.
\*IMPORTANT NOTE\* Once you click "Submit" you cannot change your vote.

If you have any questions about the ballot, logging in or any other difficulty **get in** contact with your branch. You can also <u>click to watch this video</u> on how to vote.
