VIRGIN PILOTS UPDATE

Following last week's ballot in which pilots voted up the proposed Enterprise Agreement, Virgin Australia is preparing the required paperwork to file the Enterprise Agreement application for approval by the FWC. The TWU/VIPA will keep you updated as the application proceeds.

ROSTER PERIOD 9 (RP9) MEMORANDUM OF UNDERSTANDING AND ROSTERS

Over the weekend pilots were informed by Virgin Australia that the crew tracking team has completed the roster adjustments for RP9. Pilots amended rosters for RP9 should now show Line Pilots at not less than Phase 1 and Training Captains will be rostered at not less than Phase 2. If you have any issues with your current roster please contact the TWU/VIPA for assistance.

We will update you again as the situation unfolds. If you have any questions please contact your delegate or official.

We continue to call on the Federal Government to implement #AviationKeeper for ALL aviation workers, with strict conditions on companies to retain workers and cap CEOs' pay.

TOGETHER, WE ARE STRONGER. JOIN NOW FOR A BETTER FUTURE.
