

## SIGNIFICANT PROGRESS IN BARGAINING

Your delegate-led TWU bargaining committee met with ACFS on Sept 9 and 27 to progress negotiations. There were significant movements on the TWU claims, and key ACFS claims have been dropped, moving us closer to an agreement. **The company has now removed these claims from their proposals to workers:**

### ACFS CLAIMS WE REJECTED

- ▶ Promote "lifestyle rosters" for ageing workforce
- ▶ Ability to **change drivers' start time** by 1 hour each way without 7-day consultation period.
- ▶ **Afternoon shift** starting time to be extended from 4pm to 6pm
- ▶ Removal of **crib break**
- ▶ **Negligent damages** scheme

In addition to the above, workers in SA and NSW have won conditions that will help close the gap with other states. Speak to your delegate on how this takes local workers forward.
