

# ACFS CYBER SECURITY UPDATE

The TWU has been advised that ACFS has been targeted by a cyber incident.

This may affect pay tomorrow, but ACFS has reassured us that it is doing everything it can to minimise impact.

## WHAT SHOULD YOU DO?

- Make sure to keep a **written record** of all work carried out, including overtime, and any other information relating to pay
- **Speak to your delegate or organiser** if you have any questions or concerns

---

We're in consultation with ACFS and we'll keep members updated on developments as they occur.
