

## YOUR UNION-WON BACKPAY IS ON THE WAY

Last week you should have received your new pay increases won in bargaining last year. Toll has informed the TWU that it expects to process your backpay in next week's pay run. Should this change we will inform you immediately. If you have any questions or concerns about your backpay, speak to your delegate.

Congratulations to every single member for standing strong and united to win significant upgrades to Toll's original offer, and in particular the delegates and bargaining committee members who worked so hard to ensure the best agreement possible. Here's how we got here.
