

ARMAGUARD UPDATE

June 2022

LUNCH ON TRUCK SAFETY DISPUTE

The hearing for our disputes in Tasmania and the ACT took place on 23 June 2022 and 24 June 2022 by video-link. Both parties' witnesses have been cross-examined.

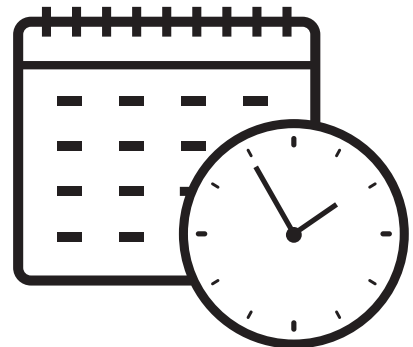

We remain concerned that you leaving your truck while on lunch is a key safety issue because:

- You will still be in your **uniform**;
- You will continue to **carry your firearm** whilst you are having lunch outside of your truck; and
- You will be at **greater risk** leaving your vehicle than if you were to remain inside of it.

NEXT STEPS

The parties will now prepare their written closing submissions. This process will occur over the next month with a final time-table to be set as soon as possible.

We will provide updated details as soon as we have them.
