

YOUR UNION-WON PAY INCREASE IS ON ITS WAY

In 2021, our first-ever national road transport industry fight led to huge wins across all of the major road transport companies. Your member-led bargaining team fought hard to ensure a fair pay offer.

WHY THIS IS SUCH AN IMPORTANT WIN

Your strong national actions showed the company that you would not back down from fighting for what you deserved. If BevChain had had its way, you would be receiving a wage freeze for three years.

This pay rise is a testament to your strength as a collective, not just as a company but as an industry, and puts us in a good position for when we're back in bargaining just next year.

BEVCHAIN'S ORIGINAL OFFER

 0% wage increase

 0% super increase

REVISED OFFER

 WA and VIC: 2.5% increase in 2022 (1.1% already paid in 2021)

SA, NSW and QLD: 3.6% increase in 2022

 0.5% super increase by the end of agreement

WHAT HAPPENS NEXT?

- ▶ Your union-won increase will apply from next week
- ▶ Prepare to bargain again for another strong EA in 2023

This pay increase shows the power of standing together. In the meantime, we must continue to hold BevChain to account over the commitments it made at the bargaining table.
