

UPDATE ON SALE TO DHL

Your member-led team has secured a meeting with Camerons management on **Monday 4 June**. We'll also seek a meeting with DHL as soon as we can.

During the sale, we must ensure the best possible outcome and continued job security for the thousands of you affected by the sale.

Any plan to move forward must be developed in consultation with workers across all parts of the business. We'll hold both Camerons and DHL to account every step of the way with the interests of workers front and centre of every conversation.
