

**TIME TO
LET MARTIN
BROWER
KNOW YOUR
HARD
WORK COUNTS**

Your member-led TWU negotiating committee recently met with Martin Brower. The company made an initial offer which it has since revised, and while **we've had some wins, the offer falls well short** of what you've told us you need from your new Agreement.

You've worked hard throughout the entire pandemic while Martin Brower has reaped the rewards from increased business. **You deserve a better offer.**

Next meeting with the company
