

YOUR UNION- WON PAY INCREASE IS ON THE WAY

In 2021, our first-ever national road transport industry fight led to wins across the major road transport companies. Your member-led bargaining team fought hard to ensure that you received a fair offer, and that it would be linked to the Fair Work Commission's Award increases.

WHAT HAPPENS NOW

- ▶ Because of your member-led team's efforts, all members covered by an agreement where the percentage increases are underpinned by CPI or National Wage Case increase will receive a 4.6% pay increase.
- ▶ You'll receive your pay increase from next week

This pay increase shows the power of standing together. In the meantime, we must continue to hold Finemore to account over the commitments it made at the bargaining table.

IT'S NEVER BEEN MORE IMPORTANT TO JOIN.

Transport workers around the country are joining the TWU. Together we can fight for a fairer and safer transport industry.
