

BONUS TO BE PAID 28 JULY

Your member-led team has followed up with Virgin regarding the bonuses it announced in June.

Your delegates fought hard for these recognitions and other commitments.

VIRGIN'S COMMITMENTS

- ▶ Your reward payment of either **0.5% or \$500**, whichever is greater, to be paid on **28 July** in a separate pay run to normal wages
- ▶ Half of the union-negotiated **6% profit share** brought forward a year to December 2022
- ▶ You should have also received **wage increases** from 10 July. Check your pay slips to make sure

WE STILL HAVE MORE TO DO

These commitments are a testament to our strength when we act together, but we know that **there are still significant issues among crew**. Though we have made some progress, the following issues are still outstanding:

- ▶ Progression
- ▶ Part-time to full-time
- ▶ Preparation for Agreement expiry and return to bargaining

Your delegates will be meeting with Virgin in Brisbane in the coming weeks to discuss the above issues.

We will continue to fight for better because we know that our safety, as well as our passengers' safety, relies on it. As always we will keep you updated with any developments.
