

ARE YOU RECEIVING YOUR MEAL ALLOWANCE?

Your team has received reports that members are not receiving their meal allowances. Under your Agreement, your allowance is as follows:

MEAL ALLOWANCE

Meal Allowance or meal allowance for a shift worker working overtime:

either more than an hour before start time, or more than an hour after finishing time and each 4 hours of overtime thereafter; (Meal breaks taken while working overtime do not count towards the calculation overtime worked)

Team members are not entitled to payment of meal allowances if meals are provided by Virgin Australia

\$14.70

This allowance applies **regardless** of when the overtime is calculated - ie any overtime longer than an hour outside your rostered hours.
