

HUGE YES RESULT ON PROTECTED ACTION

Dnata TWU members have **stood up** with an overwhelming support to take protected industrial action if Dnata don't come to the table to settle a fair agreement

The message to Dnata is clear. **The offer on the table is not good enough** and workers will stand together and take action for a better deal.

While members have voted massively over this week, your member-led bargaining committee will be back at bargaining table next week to take all steps to settle outstanding issues:

83%
OF MEMBERS VOTED
96%
OF THOSE VOTED **YES**

DNATA NEEDS TO DO MORE.

The fight is still on to address the serious outstanding issues:

- 1.** Job security
- 2.** A fair pay and superannuation offer
- 3.** Real consultation
- 4.** Fair conditions for part-time workers
- 5.** EA expiry in 2024 so we can fight as an industry

Until these issues are addressed, the job security of every Dnata worker is on the line.

We MUST use our collective power to lift wages and conditions.

NEXT STEPS

- ▶ Delegates have endorsed a 24-hour strike on Monday 12 September
- ▶ Discussions will be held next week after bargaining to report back and discuss 12 September strike. Contact your delegate or organiser for more information.
