

LUNCH ON TRUCK DISPUTE

The hearing for our disputes in Tasmania and the ACT took place on 23 and 24 June 2022 by video link.

Since then, the parties have put in their written closing written submissions

Armaguard has since also requested to make oral closing submissions. This will take place on **4 November 2022** and once that has occurred, we will receive a final decision from the Fair Work Commission in this matter.

Because of the sensitive nature of your work, most of the details of our proceedings are confidential to keep you safe and secure at work.

If you need any updated information, please contact your local delegate or TWU organiser.

We know that this has been a long process but, it is also a very important one as we continue to fight for our safety and security at work.
