

BARGAINING UPDATE

After months of public campaigning led by the TWU, **Qantas has been forced to increase its shoddy wages policy.** The offer previous made to QGS workers of 2% increases in 2022 and 2023 will now be increased to 3% for the two years.

This increase will come in from 1 September 2022 and 1 September 2023 and the union is seeking confirmation of backpay for the 2022 increase.

PAY INCREASE PROPOSAL

- ▶ 3% from September 2022
- ▶ 3% from September 2023
- ▶ Increased pool of workers who qualify for the bonus

Congratulations, these initial results have only been secured because members and delegates across the country have stood together.

WHAT HAPPENS NEXT?

- ▶ TWU industrial staff are currently finalising the drafting of the proposed Agreement. **The drafting provided by QGS needs to be improved** to ensure the Agreement will pass the Better Off Overall Test (BOOT) in the Fair Work Commission and TWU members won't be ripped off.
- ▶ We are hopeful an improved offer will be ready to put to members for a vote in coming weeks.
- ▶ When the drafting process is completed the draft agreement will be given to delegates and then members for discussion and endorsement.
- ▶ Being union means a better deal. If you or someone you know is not a member, now is the time to join. **Scan the QR code or [click to Join today.](#)**
