

BARGAINING UPDATE

After months of public campaigning led by the TWU, slamming Qanta's bribery bonus - the company **has been forced to increase its offer.**

The proposal previously made to QAL workers of 2% increases in 2022 and 2023 with no backpay, will now be increased to 3% for the two years.

Your TWU negotiating team is standing strong at the bargaining table and now is when we need everyone to win the best outcome.

NOVEMBER 20

PAY INCREASE PROPOSAL 3% from September 2022 3% from September 2023

 Increased pool of workers who qualify for the bonus

These initial results have only been achieved because members and delegates across the country have stood together.
