

# BARGAINING UPDATE

After months of public campaigning led by the TWU, slamming Qanta's bribery bonus - the company has **been forced to increase its offer.**

The proposal previously made to QAL workers of 2% increases in 2022 and 2023 with no backpay, will now be increased to 3% for the two years.

Your TWU negotiating team is standing strong at the bargaining table and now is when we need everyone to win the best outcome.

## PAY INCREASE PROPOSAL

- ▶ 3% from September 2022
- ▶ 3% from September 2023
- ▶ Increased pool of workers who qualify for the bonus

**These initial results have only been achieved because members and delegates across the country have **stood together.****

## WHAT HAPPENS NEXT?

- ▶ We are hopeful an improved offer will be achieved. If you have any question or suggestion, contact your delegate or organiser.
- ▶ Being union means a better deal. If you or someone you know is not a member, now is the time to join. **Scan the QR code or click to Join today.**
