

OCEANIA RETURNS TO THE BARGAINING TABLE

For the first time, workers across the country united to vote down Oceania's substandard agreement.

By standing together, you've sent a clear message to Oceania: *You deserve a better, fairer deal, that actually addresses your key concerns.*

Due to growing pressure, Oceania has finally agreed to come back to the table and work with the member-led bargaining team to develop a fair outcome.

KEY UPDATES

Off the back of the historic win, we've written to Oceania to insist they get back to the table so we can address the issues that are most important to you, including:

The need to raise your terms and conditions in the EA.

Lack of industry standards at Oceania.

NEXT STEPS:

- ▶ Your member-led bargaining team will be meeting with Oceania on **Wednesday, 12 June 2024.**
- ▶ We will be reaching out to workers about your expectations in this new stage of bargaining, and will provide further updates following the meeting.
