

# CONGRATULATIONS YOUR UNION-WON PAY INCREASE IS ON ITS WAY

Last year, thanks to your collective strength, we locked in significant pay increases linked to CPI, and improved conditions.

## PAY INCREASES TO COME

Your member-led bargaining team fought hard to make sure that your wages wouldn't fall behind.

But they couldn't have done that without your **strong participation**, showing the company that you would not back down.

The company has confirmed this will be 4% (your team pushed for 3.25% or CPI capped at 4%, whichever was higher)

**YOUR PAY INCREASE:**

**4%** Up from 3.25%

## TAX CUTS FROM 1 JULY

Under Prime Minister Anthony Albanese's Stage 3 tax cuts, every taxpayer will receive a tax cut for cost-of-living relief from **1 July**.

## This pay increase shows the power of standing together.

### WHAT'S NEXT

- Soon transport reform laws will come into effect that we can use as a powerful tool to make the transport industry safer and fairer - we'll be in touch soon with what this means for you
- We're building to 2026, the next stage in improving standards right across transport
