

DNATA REFUSES TO MOVE ON YOUR AGREEMENT

Last week

Your team filed a Protected Action Ballot (PAB) in the Fair Work Commission after an overwhelming pledge card response from members.

Bargaining meeting with dnata

At last week's bargaining meeting with the company, following the PAB filing, dnata did not move on any of your claims.

TWU members have made it clear you're ready to take action for a decent agreement. It's time to keep up the pressure on dnata and get ready to **vote yes** in the upcoming PAB to reach a fair offer on:

- ➔ Pay and superannuation
- ➔ Rostering
- ➔ Job security

GET READY TO VOTE YES IN THE PAB

Once the PAB is approved, get ready to vote yes to all questions to show Dnata it must come back with a better offer.

We'll be in touch soon with how voting will work. The key things to remember are to vote early to send dnata a strong message, and vote yes to all questions to give us the most options for action, even if we don't end up taking them.

YOU MUST BE A UNION MEMBER TO TAKE ACTION

Only union members can take protected industrial action.

We need everyone in the union to win the best outcome. If you're not a member, [scan the QR code below or click here to join now.](#)
