

UPDATE - SAME JOB SAME PAY APPLICATIONS

Team Jetstar variation voted up

Last year, the TWU filed two Same Job Same Pay applications for Team Jetstar and Altara cabin crew.

Following extensive member feedback the TWU developed a proposal, using Same Job Same Pay laws, that maintained your work rules, delivered pay increases for all and paved the way for direct employment and paid training for Altara crew.

Team Jetstar's variation has now been voted up, which means Altara members will shortly be linked to the new Agreement through an Alternate Protected Rate of Pay.

Next steps for Altara members

Jetstar will now make an application to vary the Team Jetstar Agreement to the Fair Work Commission (FWC).

The Altara order will be linked to TJ, with the variation to be processed first. **We'll keep you updated on the time frame and process.**
